## ALMA MATER

*We rise to cheer Redbank High,

Is here with you.*

*We will ever sing thy praise,  
To thee we'll 'ere be true.*

## DEDICATION

*We, the class of 1970, wish to dedicate our yearbook to Mr. Benjamin Kundick. His ambition in life was to become a professional baseball player, but Mr. Kundick gave up this honorable occupation to become a math teacher at Redbank. As football and wrestling coach, he has gained the respect of the student body. With his many witty ideas, dull math classes have become a thing of the past. As students, we have only known him a short time, but in his high school yearbook, his friends described him as:*

*Bashful Benny! The nimble-fingered end*

*Oh my! The girls he can send.*

## IN MEMORY OF

*James Hale*

*Jim walked the halls of Redbank,  
With a cheery smile and a hi!  
His grin was broad, he was lots of fun;  
It's hard now to say good-bye.*

*We wonder just why death came  
To one so young and spry,  
Who had so much before him;  
It's hard now to say good-bye.*

*Many words have been written  
Of people who live and die,  
But Jim Hale was one of us,  
And it's hard now to say good-bye.*

## ROMEO AND JULIET

*On April 24, 1970, the Senior Prom was held in the school gymnasium using the theme of Romeo and Juliet. Gloria Mills and Gerald Wolfgang were crowned King and Queen of the 1970 Senior Prom.*

*Nancy Unger and Larry Jeffers.*

*Carol Doverspike and Gregory Lockwood*

King Mike Minich, Queen Vickie Myers, Princess Penny Cypher, Prince Al Bright.

## SOMEWHERE MY LOVE

The Senior High Prom of 1969 began at 8 P.M. on the cold, snowy evening of December 23. The theme, "Somewhere My Love," was decorated in a holiday atmosphere of Christmas trees, reindeer, bells, and mistletoe. At 9:30, Diane Bain placed a crown of tinsel in the hands of Mike Minich, and he crowned his queen, Vickie Myers. Barbara Mogle gave the prince's crown to Dave Colwell, who accepted it for Al Bright. Dave crowned his princess, Penny Cypher. Everyone danced to the music of the Worthy Generation until 11:30, then the prom was over for another year.

Freshman attendants: Murray Silvis, and Darlene George. Sophomore attendants: Darlene Shreckengost, and Steve Keener.

Senior attendants: Jane Miller and Bruce Shumaker, Barb Stewart and Denny Keener, Sally Andrews and Jack Schrecengost.

## FAREWELL

*Twelve years have passed and now we, the Class of '70, must say good-bye to a part of our life which has been filled with both joyful and sorrowful moments. We remember the day we received our class rings, our Washington trip, our prom, our banquet, and finally our graduation. The time passes quickly and we are left with a dizzy feeling, but then we are reminded of the endless stretch of time ahead—our future.*

Jim,  
Have a good time  
this summer, but don't  
forget all the fun we had  
in homecom 147. "see ya next year"

# IN MEMORY

## TO ONE GONE ON

*Too oft' as we pilgrim together  
Too oft' as we act in life's play,  
We take our blessings for granted  
Until they are taken away.  
And now, as we pause in grave silence,  
We are stunned by this terrible blow.  
We realize more than ever  
How quickly our loved ones can go.*

*We're sent to this earth with a mission,  
On the stage of life we must play;  
When to enter was not our planning;  
When to go is not ours to say.  
As we work and play together  
The bonds of our friendship grow tight  
And they are not easily severed  
When a loved one slips out of sight.*

*Our time, our color, our station  
Are all planned for us in advance,  
And, when our testing is over,  
We're permitted no backward glance.  
We lay down with our earthly body  
The ills to which all flesh is heir;  
We're freed from all burdens and heartache—  
Freed from our every care.*

*She leaves such a sweet remembrance—  
One we shall never forget.  
It seems we can't do without her  
At Redbank High, and yet  
Let's not grieve too much for this dear one  
As we bow to His will and His way.  
Let's smile through our tears. Eileen's happy—  
This is her graduation day.*

*Iola Doverspike*
